3 December 1981

MEMORANDUM FOR: Director of Central Intelligence
VIA: Deputy Director of Central Intelligence
FROM: STAT
Director, Intelligence Community Staff
SUBJECT: International Energy Technology Assessment (IETA) Program -
Department of Energy (U)
REFERENCE: Letter for your signature forwarded 30 November 1981,
same subject as above, DCI/IC 81-1378

1. Action Requested: Sign the attached reply to Senator Moynihan. (U)
2. Background: Attached is a revised reply for you to send to Senator Moynihan regarding the IETA Program. After soliciting written views from the NFAC and State INR on IETA, there was considerably less support than initially indicated verbally. In light of this development, the original reply has been revised to eliminate the sentence concerning IETA's value to the Community and your intention to take this matter up personally with Secretary Edwards.
3. Recommendation: Recommend you send the attached reply to Senator Moynihan. (U)

Attachment:
Ltr. to SSCI for
signature
